NEWSLETTER

Let's Play, Learn and Grow together

The new academic session started from 1st April, 2023. We were very excited to come to school with our new books, bags and stationery. We were full of new hopes for the upcoming session. Our teachers have decorated the panel boards and planned fun-filled activities for the first day. There was a selfie point for tiny tots. It had a beautiful design and students joyfully clicked pictures in them.

WELCOME

World Health Day

World Health Day is observed on the 7th of April every year. We observed the day with our friends and teachers. Importance of good health and hygiene was discussed. We made posters, recited poems and delivered speech on the topic 'Importance of good health and hygiene'. Everyone was talking about health and fitness in the school. Teachers made us aware about the importance of physical and mental health.

Videos on good health and hygiene were shown by our teachers. All these activities created awareness among us.

Handloom Week

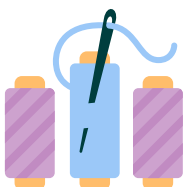

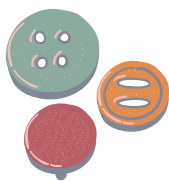

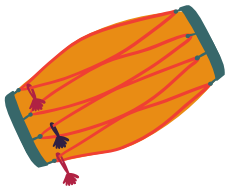

8th April-14th April

Handloom is a loom that is operated by hand and handicrafts are the products made with the use of simple tools. We observed handloom week from 8th to 14th April. Our teacher showed us videos during the handloom week. Items like pom-poms, wall hangings, decorated bottles, rings, bracelets, rubber bands, pen holders were made. We used material like sticks, wool, thread, paper plates, beads and waste paper. We felt proud that we were able to make such things on our own.

Reyansh (VE)

Baisakhi

Baisakhi is a harvest festival celebrated on the first day of the Hindu month of Vaishakh. On this day, a program was held in our school. Students of Class V told some amazing and fascinating facts about Baisakhi and Bihu. Students gave dance performances on Punjabi songs. A student of Class V delivered a speech and told the different names of this festival across India. Our Vice Principal ma'am told us why we celebrate Baisakhi and Bihu. She also told us about the hard work of our farmers and that we should thank them for this.

Let's Play, Learn and Grow together

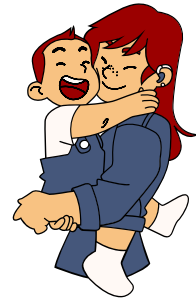

'Play is Powerful'

Children who master co-ordination and balance can climb and walk confidently. For young children, play is very important. It develops their fine and gross motor skills. To achieve these skills many indoor and outdoor games, and activities were planned. Students of Balvatika learnt to use their eye-hand coordination. Outdoor games made them strong and active.

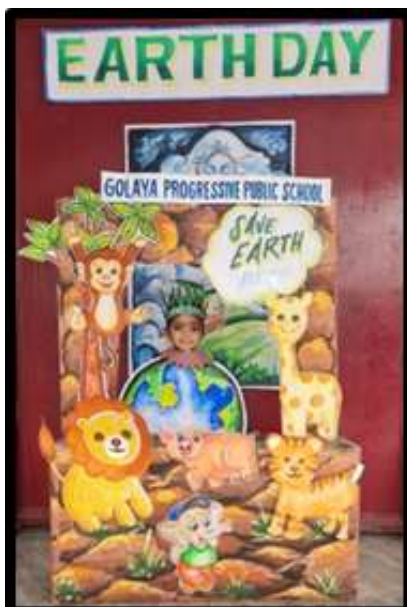

Earth Day

ReDUCE
ReUSE
ReCYCLE

Earth Day is observed every year on 22nd April. We observed it in our school in a very joyful way. The stage was decorated with colorful pots and the background was all green. Students of class IV and V delivered poems and speech on Earth Day. Students of Balvatika came in fancy dress. A beautiful dance performance was given by senior students. Through their performance, they told us not to use plastic, not to throw plastic and empty cans here and there. They can cause harm to animals. We should think of animals too. Our Vice Principal ma'am guided us not to use poly bags. She told us that we can use paper bags and cloth bags.

Tanvi (VC)

Rally on Earth Day

A rally is a group of people coming together in order to spread awareness for a specific cause. Our school organised a rally in the school premises. We made banners and wrote slogans like 'Save Water, Save Earth' and 'It is our duty to save Earth's beauty.' We also made posters with slogans on them. Our teachers recorded our videos and clicked photographs of the rally. We went in the classes and told the purpose of rally to all the students. They understood the concept and promised to work for saving the Mother Earth.

Kanika (VE)

Handwriting Competition

A Handwriting Competition was held on 19th April, 2023. All students were very excited to participate in it. Our teachers looked into students' notebooks and selected best two from each section. We were eager to know the result of the competition. The result was declared after two days and the winners were appreciated by the teachers. This competition inspired all students to work on their handwriting and to perform better next time.

A creative journey in learning

As per the New Education Policy, the development of scientific temperament is the integral part of the primary education system. The goal is to create a generation of students who are curious, analytical and innovative. This is achieved through a multidisciplinary approach that combines theoretical knowledge with practical application.

To nurture the scientific temperament in primary classes, we focus on (STEM) Science, Technology, Engineering and Mathematics. Students are taught to question, observe and explore phenomena around them. Special emphasis is given to hands-on learning and experiments to promote a deep understanding of scientific concepts.

Apart from classroom studies, we encourage students to participate in various science-related activities such as EXHIBITION. This helps in fostering a scientific attitude towards problem-solving and decision-making.

Parents are requested to click on the link of our Annual School Exhibition - VIGYAN (2022-23) on the theme Science and Technology. Kindly watch videos with your children and encourage them to participate in such activities.

सीबीएसई में स्टोरी व्यूवर के लिए स्लेक्ट हुई गर्विता की स्टोरी टैलिंग

कविता, देश योजना

पलवल। बच्चों को अच्छे संस्कार दिए जाएं, तो

प्रतिभा

● डास, सिमिंग, पैटिंग्स से लेकर स्टोरी लेखिका है 11 वर्ष की गर्विता

वह कुछ भी कर सकती है। ऐसा ही कर दिखाया है पलवल की न्यू कालोनी में रहने वाली 11 वर्षीय गर्विता ने। गर्विता डास, पैटिंग्स के संग अब स्टोरी लेखिका भी बन गई है। गर्विता का स्लेक्शन सीबीएसई की तरफ से ऑन लाईन लेबल पर कराई गई स्टोरी टैलिंग प्रतियोगिता के जरिये स्टोरी व्यूवर वेबसाइट पर किया गया है।

उसे टॉप टैन में तीसरे नम्बर पर चुना गया है। गर्विता पलवल के गोलावा प्रोग्रेसिव पब्लिक स्कूल में छठी कक्षा की छात्रा है। जिसे देखते हुए गर्विता के स्कूल संस्थापक

सेवानिवृत्त रूखाईन लोहर युद्धवीर सिंह, डायरेक्टर डॉ प्रतिभा ड्यास, सीबीएसई के डायरेक्टर अजय प्रताप गोलावा प्रिंसिपल जगदीश जर्मन और सभी अस्थापकों ने आगे बढ़ते रहने का आशीर्वाद दिया है।

छठी की छात्रा

11 वर्षीय गर्विता गोलावा प्रोग्रेसिव पब्लिक स्कूल में छठी कक्षा की छात्रा है। यह बचपन से ही क्रिएटिव माईंड रखने वाली बच्ची है। पढ़ाई में 90 प्रतिशत से

अधिक अंक लाने वाली गर्विता में कई तरह की कलाकारियां छिपी हैं। वह अपनी मां प्रीति के द्वारा दिए गए संस्कारों पर अहम बड़ रही हैं। गर्विता की मां प्रीति ने बताया कि वह बचपन से जहां पढ़ाई में आगे रही है, वहीं स्कूल में तीसरी कक्षा से ही डॉसिंग, सिमिंग, चित्रकला और कहानी लेखन में आगे बढ़ रही है। इसी को देखते हुए टॉप टैन में उसने कक्षा 1 की लेखन में तीसरा स्थान हासिल किया है।

मां की मदद

प्रीति ने बताया कि वह अपनी बेटी को अपने भाई और भाबड़े के घर रहकर पाल रही हैं। गर्विता को उसके नाम स्वर्गीय नन्हा रमेश शम्भू चौधरी और शोला चौधरी, जिसमें नन्हा चार साल पहले और नानी का तीन साल पहले देहांत हो चुका है, कहानीयां सुनाते थे। वह अकेली अपनी बच्ची को पाल रही हैं, जो इस तरह की कहानीयां उसे सुनाई जाती थीं, जिस तरह से वह मुझसे (गर्विता अपनी मां) से अधिक प्यार करती है। इसी से प्रेरणा लेकर उसने 'मा' के लिए अनुभव उपहार नामक एक कहानी लिखी। जिसमें दर्शाया गया कि एक मां की पीड़ा को देखते हुए एक बच्ची ड्रेन तैयार करती है, वह ड्रेन जिस तरह से प्रसवोत्पन्न के काम आता है, उसी तरह से मां को भी काम आता है। वह ड्रेन अपनी मां को उनके जन्मदिन पर देती है, जैसे एक प्रेरणादायक और मां से बेटी के प्रेम को दर्शाती कहानी है।

मिल चुके हैं प्राइज

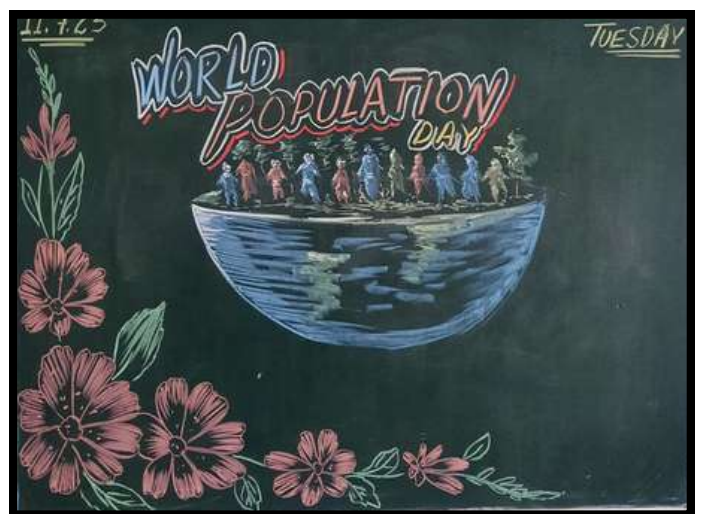

प्रीति ने बताया कि वह भी स्कूल में अर्थापिका है। उनकी बेटी को जहाँ डास में स्कूल की तरफ से सेकेड क्लास में सेकेड प्राइज मिला

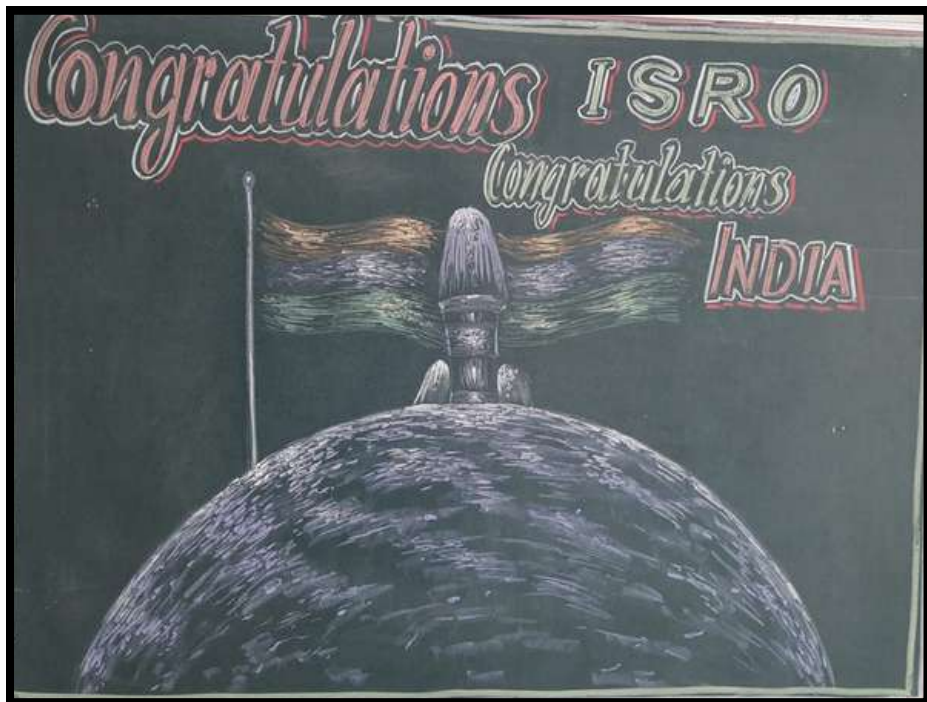

था। वहीं उसे कोरोनाकाल के दौरान बाल भवन द्वारा कराई गई पैटिंग प्रतियोगिता में भी कई प्राइज मिल चुका है। उसकी स्टोरी का स्लेक्शन तीसरे नम्बर पर हुआ है। इसे लेकर स्कूल में और घर में सभी खुश है।
